

Evidence Checklist and Next Steps

Client: Mrs Mary Borji

Property: 11 Richland Road, Liverpool, L13 7BN

Issue: Spray foam loft insulation, humidity, timber deterioration and roof replacement loss.

1. Priority Documents to Obtain

Document	Why it matters	Status
Protect Insulation Services Ltd quote, contract and invoice	Shows who sold/installed the product, price and terms.	TBC
Green Homes Scheme grant voucher	Shows funding route, scheme obligations and possible approved-installer information.	Client says available
Proof of payment / grant payment record	Shows payment of GBP 7,350 and source of funds.	TBC
Warranty or guarantee paperwork	May identify warranty provider, complaints route or insurance-backed guarantee.	TBC
Pre-installation survey or suitability assessment	Key evidence on whether roof condition and ventilation were checked before installation.	TBC
Roofing report / inspection letter	Should confirm humidity, timber deterioration and whether spray foam contributed to the issue.	TBC
Roof replacement invoice and payment proof	Supports GBP 5,800 roof replacement loss.	TBC
Photographs	Shows spray foam remaining on loft floor, joists, dividing wall, timbers and visible damage.	Client says available

2. Key Questions for Mrs Borji

1. Who attended the property and sold the spray foam?
2. Was any roof survey carried out before installation?
3. Was Mrs Borji warned about moisture, timber deterioration, mortgage issues, sale issues or future roof repair problems?
4. Was the Green Homes Scheme voucher issued directly to Mrs Borji or to the installer?
5. Does the voucher name Protect Insulation Services Ltd or another company?
6. Who carried out the January 2026 roof replacement?
7. Can the roofer provide a short written report linking the damage to humidity, ventilation and/or spray foam?
8. Is spray foam still present and can additional photographs be taken before any further removal?

3. Suggested Complaint Attachments

- Copy of the formal complaint letter.
- Green Homes Scheme grant voucher.
- Installation quote, contract and invoice.
- Roof replacement quote/invoice for GBP 5,800.
- Photographs of the damage and remaining spray foam.
- Any roofing inspection or survey comments.
- Any warranty, guarantee or sales literature.

4. Practical Next Steps

1. Confirm the full legal name, address and company number of Protect Insulation Services Ltd.
2. Send the formal complaint letter with the key evidence available now.
3. Ask the roofing contractor for a short written causation statement.
4. Check whether the Green Homes Scheme or grant administrator has a complaint process or installer standards route.
5. Check for warranty/insurance-backed guarantee routes.
6. Update the loss schedule if further removal, remediation, inspection or repair costs arise.

5. Current Loss Schedule

Loss item	Amount	Evidence required
Spray foam installation / Green Homes Scheme works	GBP 7,350	Grant voucher, invoice, payment proof.
Roof replacement / remedial works	GBP 5,800	Invoice, quote, payment proof and roofer report.
Total currently identified	GBP 13,150	Subject to evidence and recoverability.
